Heller & Thyen PA offers legal assistance to ordinary people who need to navigate the complex legal system in the areas of personal injury and bankruptcy. The experienced legal firm ensures that clients get the best possible outcome for personal injury cases.

Saint Cloud MN: Heller & Thyen, P. A. are pleased to announce they have the knowledge and experience to assist people who have been injured in winter weather related motor vehicle accident. While a vehicle accident can happen at any time, there are a number of factors which make accidents during the winter and early spring more prevalent. One of the most common factors is the condition of the roads. Ice, snow and packed down snow makes it difficult to slow and stop a car at intersections. This leads to a large increase in rear-end collisions. Off ramps and bridges also get very slippery because of the steel infrastructure that supports these portions of the road. Also, the glare that can be caused by the glare from the sun reflecting off of the snow.

Car accidents can cause many levels of damage, from scratched paint and a dented bumper to serious and life-changing injuries. The legal team ensures that the rights of accident victims are protected. The leading cause of spinal injuries and traumatic brain injuries is vehicle accidents. These types of injuries may result in permanent disability, mental and physical impairments, as well as financial and emotional stress. Injuries sustained in a vehicle accident may not be apparent for several days or even weeks.

The legal team at Heller & Thyen has made itself more accessible, which can make getting legal help more convenient. Offices are available in both Minneapolis and St. Cloud, Minnesota. The attorneys can meet with potential clients with minimal delay. Office hours have been expanded and the legal team members will meet with clients during evening or weekend hours under special circumstances. They will even travel to the client's home if necessary.

According to a spokesperson for the firm, "We are experienced and knowledgeable in the areas of the law which we cover. We have the understanding to predict with confidence how the case will work out. Our goal

is always to seek justice for our clients and to get the full financial damages to which they are legally entitled. We communicate with each client throughout the entire process so there is a clear understanding of the factors involved.?
