Pensacola Shipping Company Announces New Services

February 27, 2017

February 27, 2017 -
Creighton Pack & Ship Business Center, a company located in Pensacola, Florida, has recently announced a new realm of services for local customers. In addition to pack and ship services, this Pensacola shipping company recently stated that they are now providing a wide range of additional services that are designed to help customers with a number of personal or business related needs.

Thomas Armstrong, a spokesperson for the company, says, "We can pack and ship just about anything you need to just about anywhere in the world. Our goal is to make your life a bit easier and we always strive for the utmost in customer satisfaction."

Armstrong says that shipping is not the only thing that the company does. In addition to their pack and ship services, they now also offer copy, print, and document services to local customers. The company can print and copy in any size and in any color and they state that customers in need of printing services can contact them for a complete listing of the specific printing that they offer.

"Aside from shipping packages Pensacola FL customers can also depend on us for copying and printing their

documents quickly. We strive to be your go-to for all of your business service needs," says Armstrong.

The Creighton Pack & Ship Business Center is a local and independently owned and operated business. Armstrong states that everyone who works for them is professionally trained as an expert in the packing and shipping industry, and all staff are members of the Pensacola community. The company serves businesses and residents with packing, shipping, printing, and other services, and states that their team is dedicated to ensuring a positive customer experience with every visit.

Armstrong states that anyone who needs Pensacola post office services can visit them at Creighton Pack & Ship Business Center first to find competitive rates and a more personalized experience. The company states that they offer high quality services that are designed to save customers time and money.
