Pensacola, Fla. ? Butler?s Tire & Accessories, a leading new and used tire store in Pensacola, FL, has enthusiastically supplied the Escambia Fire Rescue team with salvaged vehicles for extrication training purposes. Thanks to Butler?s kindness, Escambia County?s first responders will be more prepared than ever if an emergency arises.

Exercising extrication strategies requires time, persistence, and most importantly, vehicles. Finding old or salvaged cars to perform training on can be a hassle, especially in Escambia County. The Escambia Fire Rescue team was fortunate to have collaborated with Butler?s Tire & Accessories. Now the team of firefighters has a means to perform their drills and learn a thing or two about junk cars while doing it.

?We?re more than thrilled to be working with the fire department and providing them with these old, salvaged vehicles,? Jim Butler said. ?It?s an honor to be doing something that will have a real effect in the community.?

Butler?s Tires & Accessories is consistently aiming to be the top supplier of new and used tires in Pensacola, FL. The group of skilled mechanics and technicians is frequently brainstorming ideas to make a customer?s life simpler. Working with the Escambia Fire Rescue team during their training process allows for Butler?s to really dip a hand into the community?s efforts and affect change in ways unimaginable. Thanks to Butler?s generosity, the streets of Escambia County will be even safer in the months to come.

?Anytime we get a chance to participate in something like this we grab onto it with full force,? Butler said. ?Community involvement is our passion here out Butler?s and that will always stand true.?
