

PEO Company Announces Upcoming Spring Supervisory Boot Camp

April 26, 2017

April 26, 2017 - PRESSADVANTAGE -

Pensacola, Florida based Professional Employer Organization (PEO) LandrumHR has announced upcoming training and enrichment workshops. Their Spring Supervisory Boot Camp is set for two sessions for a total of eight hours of supervisory training. The first training session will be held on Wednesday, May 24, 2017 from 8:30 a.m. until 12:30 p.m. The second session is set for Wednesday, May 31, 2017 from 8:30 a.m. until 12:30 p.m. Additional seminars and webinars for fall and summer are also being planned.

Becki Haines, Director of Training and Consulting with Landrum spoke about the fees related to the sessions, "For our PEO clients, they are free, but for other businesses they are \$178 per attendee for the entire Boot Camp."

The classes are set to take place at the company's corporate office at 6723 Plantation Road, Pensacola, FL 32504. The company states that those interested should register early to ensure that adequate space is available. Haines says, "To register for the Bootcamp [click here](#)."

Haines travels to present Boot Camp to LCON Clients and prospects not located in Pensacola, FL. She says,

"If a company would like the Boot Camp customized for their organization, we are happy to do so. We utilize their policies, procedures and practices throughout the course of the eight hours.

Haines says that any company can request this Boot Camp. The fee is significantly more though as LandrumHR will be customizing it for their organization. The cost is dependent on how many visits the company has to make to the organization. Haines states that some organizations choose to have the training done all in one day and others choose to have two or more sessions. The number of attendees and the degree to which LandrumHR has to customize the training also has a bearing on overall cost. She points out that the more complex the organization, the more prep work must be done prior to the training event.

LandrumHR offers a variety of employment services for those in and around the Pensacola area such as hiring and staffing solutions, as well as HR outsourcing, training and consulting. Those interested in learning more about the upcoming training sessions or the company in general can contact one of their locations.
