Formula One Imports in Charlotte, North Carolina, has announced that they have surpassed a quarter of a century in business. The company recently stated that they have now been in business for more than 25 years, providing Ferraris and BMWs for sale to customers in Charlotte and throughout the nation.

Jeff Tomascak, owner of Formula One Imports, says, "We have been helping people find and purchase their dream cars for more than a quarter of a century and we truly love what we do. We are proud to say that most of our business comes from repeat customers and referrals, which just goes to show that we know how to treat our customers right."

Tomascak says that the family owned and operated company is proud to be a member of the Braun Automotive Group. The staff at Formula One Imports is comprised of enthusiasts of racing and high performance and luxury cars, a fact that Tomascak says has helped them to remain in business for more than two decades.

The company offers a wide range of luxury and high performance vehicles, as well as many family type cars.

Their inventory currently includes everything from a vintage 1963 Corvette Stingray convertible to a 2015 Ford Focus SE, and everything in between. Those interested can get a look at the currently featured vehicles by visiting <http://formulaoneimports.com/ferrari-for-sale-charlotte-nc/>.

Our staff members are and have always been dedicated to every single customer that comes to us. We haven't changed our dedication to customer service in more than 25 years and we don't plan to change it in the next 25 years."
