Cohoes, N.Y. - The well-known awards company, Awards by Walsh?s Creative Marketing, recently contributed to the swearing in of Cadet Captain Gerena as he moves forward with his career in law enforcement. The company provides only the best awards in Albany, NY, and was proud to honor the soon to be officer by designing his award.

The owner of Awards by Walsh Steven Pesta said, ?We were very happy when the city contacted us about designing the award for Gerena. It was an honor to make the award and we wish him the best of luck.?

Cadet Captain Edwin Gerena recently attended his last general meeting in the city of Troy for his police training. It was there where he was bestowed his award for completing his cadet training program with excellence. Gerena will be sworn in as a police officer and initiate his career in the Rochester Police Department following the acceptance of it.

The cadet captain was widely considered a model cadet by his peers and superiors. Awards by Walsh thought it especially pertinent to design his award because of the values the cadet captain represents. While

the city of Rochester can sleep well knowing they are taken care of by the police, the state of New York can rest assured they are getting the best promotional products in Albany, NY.

?Cadet Captain Gerena is a beacon of light for the community,? Steven Pesta said. ?He has a strong sense of value and we really respect that.?
