Staffing Agency in Braselton, GA Tackles Unemployment and Low Rates of Job Satisfaction

March 02, 2017

March 02, 2017 -
Braselton, Ga. - Express Employment Professionals has continued to be a well-recognized staffing agency in Braselton, GA. with high expectations of getting rid of unemployment. By investing in Braselton and the bordering counties, the job firm wishes to enhance the fields of employment fulfilment and also boost the lives of those living in the location. They do this by combining the local impact of a regional job company with the reliable reach of an international company.

?Our focus is on giving every person an equal opportunity to find employment for a job they will love. ? Express Braselton Branch Manager Andy Correll said. ?Being unemployed is never an easy thing, so it is very rewarding being able to help such individuals.?

The business found its start in 1983 with the philosophy that each and every individual should be given a fair and equal shot at long-term job satisfaction. Whether it be short-term staffing, or a permanent job, Express gives an option for any type of work opportunity. The benefit of working together with Express is the ability to deal with a regional workplace that organizes the power of an international company. This places the business as one of the most efficient staffing agencies in Braselton, GA.

Express Employment Professionals further concerns itself with developing valuable chances to educate as well as preparing potential workers for the workplace. The firm also organizes a series of online seminars that concentrate on topics such as morale in the workplace and also how to handle workplace dispute. These aspects of the company show that they express a deep interest in job satisfaction and the rate of employment.

?One thing we firmly believe is that high job satisfaction and a love for your work leads to better results,? Correll said. ?With low job satisfaction, any individual is in danger of slipping back into the rut of unemployment.?
