Cat Nip Toys, a store for cat lovers in Portland, OR, is proud to announce its grand opening. One of the unique things about the store is that they offer a new School Cat T-shirt design. Additionally, they stock a variety of cat trees and other accessories. CatNip Toys also offers people the opportunity to shop online.

Catherine Black from Cat Nip Toys says: "We are so happy to be open for business. I have had a passion for cats since being a little girl, and I always knew that I wanted to do something to enhance the lives of these beautiful creatures. Starting CatNip Toys has been a dream come true, and we look forward to welcoming many people through our doors."

Before opening, the company invested heavily in ensuring they had an up to date stock with unique products that are otherwise hard to come by. They main focus is on cat trees, which are essential products for the health and happiness of cats. The full collection that is available through the store can be seen on their website at https://www.catniptoys.com/collections/cat-trees-for-sale.

"Our cat trees have all been designed to be completely safe for cats, as well provide them with a whole lot of

fun," adds Catherine Black. "We have also ensured that our selection is very beautiful, so that the cat tree can really be seen as a piece of furniture to add to a home, rather than a nuisance tucked away in some corner. We invite anyone to browse through our selection, either on our website or in our store."

Cat Nip Toys has also endeavored to give people the opportunity to express the fact that they are a so-called 'cat person'. The School Cat Tshirt is the latest in a line of cat-related apparel that the store offers. The t-shirt is currently available in red and black, and comes in a variety of different sizes. It features a picture of a cat on the front, wearing glasses and a backpack - a 'school cat'. Black adds: "I love this t-shirt and actually have a few of them myself. It's comfy and cute, and has a cat on it. It is a t-shirt that shows you are a cat lover."
