

8 Figure Dream Lifestyle Launched by Top Tidom Inc Earners

March 09, 2017

March 09, 2017 - PRESSADVANTAGE -

San Diego, California, February 20th, 2017 - Top Tidom earners have been so successful they have launched 8 Figure Dream Lifestyle, a private label business and created a new sales funnel that minimizes time and effort. Text and email notification features have streamlined the process and led to an increase in attendance for webinars by as much as 20%.

Tidom and 8 Figure Dream Lifestyle operate on the "business in a box" model where new members are presented with five separate choices to join at their own personal commitment level. Once on board, members are presented with digital packages including training on motivation, generating leads, email marketing, and more. Mentors register new sponsors, get them in the Tidom system, and let the sales funnel do the rest.

The updated webinar now includes new polling questions which have led to increased conversion rates. New members adding just one additional member per week have seen their bank accounts grow exponentially in the weeks following the initial webinar. The Tidom system has now made it easier than ever to follow up with sponsors and answer any questions that may arise.

In the first 30 to 90 days after attending an event, new members have earned between \$30K and \$220K and their business is just getting started. Training events offer advice on how to plan that dream vacation that is now affordable without sacrificing business growth and how to deal with taxes following such a large influx of money.

Getting started with Tidom is made easy with live trainings to help get the results that have made the business such a success since its pre-launch in 2015. Successful mentors take a look at weekly reporting and offer solid advice on subtle tweaks that can be made to increase conversion rates and lead to success. Featured members make upwards of \$30K per month and are eager to give back by helping out new members and offering mentorship.
