

# CR Pro Tax Offers Information On IRS Refund Tax Act

October 23, 2017

October 23, 2017 - PRESSADVANTAGE -

CR Pro Tax, a business in East Orange, NJ, has released new information on the importance of getting the right tax preparer and getting someone who knows the tax rules and has experience in tax planning. Clinton Robinson, founder and owner of CR Pro Tax, is a Certified Tax Coach and he is dedicated to showing his clients how to keep more of their money by paying less tax. Specifically, he provides advice and guidance on the IRS Refund Tax Act. Full details are available at <http://www.crprotax.com>.

Clinton Robinson himself says: "We are a full-service accounting firm licensed in New Jersey. We offer a broad range of services for business owners, executives, and independent professionals. We are affordable, experienced, and friendly. Please call us today, we'll be happy to offer you a free initial consultation."

As part of his work with CR Pro Tax, Robinson has written a number of publications, including 'The Tax Detective'. He encourages people to check his writings out, as they fully explain the work that the company does and how it can help various individuals and businesses. He adds: "Our firm provides outstanding service to our clients because of our dedication to the three underlying principles of professionalism, responsiveness and quality."

The company is one of the area's leading firms, employing experienced staff who provide each client with the professional and personal attention that they need. The advice given by staff is competent and quick so that individuals, businesses, and agencies can receive the appropriate services that they require as soon as possible.

CR Pro Tax has received numerous referrals from the people who have used their services. These reflect the dedication and hard work that staff at the accounting firm offer, and how they provide each client with the personal attention that they require and deserve. People are encouraged to contact Clinton and his team as soon as possible to determine how they can improve on their tax bill.

The company provides specialized services for individuals and businesses alike, focusing not just on tax services but also on personal financial services, estate planning, and more. A consultation is completely free

and no obligation, so people are encouraged to contact them at their most convenient time.
