

Joy Waterproof Mattress Protector Launched On Amazon

March 23, 2017

March 23, 2017 - PRESSADVANTAGE -

SF Group in Pasadena, California, has recently launched new designs onto the Amazon marketplace for their mattress protector. The company states that they now have queen size available. Nell Vincent with SF Group says, "This waterproof protector is the best mattress protector for family and mattress. Asthmatic people and those who are prone to allergies can rest assured."

The company states that the mattress, which can be seen on Amazon at <http://amzn.to/2IKwXnR>, is made from hypoallergenic material that will protect even from the most subtle allergen exposure. "The company wants the customers to trust that these mattress protectors are safe," says Nell Vincent. "There are no worries of toxic chemicals because it made from premium terry cotton material which is free from toxins, is lightweight and really soft."

Nell Vincent states that in addition, to solve the trouble in putting it on, He points out that the company designed them specifically with safety. It can just slip on easily to mattress and it will fit just perfectly like a fitted sheet, be it innerspring, latex or memory foam. The mattresses were launched onto the Amazon marketplace a short while ago and the company states that they were so very well received that they felt additional sizes were warranted. They have not indicated whether or not new size will be added in the future. For now, customers can choose the full size and queen size currently available for purchase on the Amazon marketplace.
