Peoria Trophy Company Promotes New Acrylic Embedment Design

March 13, 2017

March 13, 2017 -
Peoria, Ill. ? Recognized trophy business, Joan?s Trophy and Plaque Co, continues to innovate the awards industry with their new acrylic embedment design. The business hopes that the new design will provide some variety to the awards industry.

?Our new acrylic embedment line is the perfect way to show your appreciation,? the owner of Joan?s Trophy and Plaque Co. said. ?We are really proud of them, and we think they will work great for any casual or professional setting.?

The goal of the new design was to give more options to the customers. Now trophy lovers can choose a new material to design their awards with. While old designs were furnished with quality woods and metal, they lacked an open display to attract the eyes for all to see. Joan?s sees the new acrylic embedment design as a huge success. Nothing less is expected of the company as they continue to sell the best personalized gifts in Peoria, IL.

Being experienced with the awards and trophy industry allows Joan?s to create new design concepts that are

always a big hit. The company takes input seriously so they only produce the best awards in Peoria, IL. Thanks to the high level of customer engagement, the Peoria residents no longer need to worry about whether they will get the perfect award or not.

?We really value customer input so we can know if we are meeting the promotional needs of our customers,? the owner of Joan?s Trophy and Plaque Co. said. ?That input is what made our acrylic embedment designs a success.?
