

Brisbane Personal Injury Promotes Two Talented Legal Advisors in Cairns and Brisbane

March 13, 2017

March 13, 2017 - PRESSADVANTAGE -

Brisbane Personal Injury, a practice group of MacDonnell's Law offers informative details on the topic of legal representation for personal injury clients. A recent blog article for directors at risk of WHS prosecution was posted on the site.

Brisbane Personal Injury is pleased to announce that the firm has posted a new blog article on their website. The blog article is titled "Directors at Risk of WHS Prosecution ? 12 Questions to Ask Yourself Today!?. The web pages are inclusive of much additional information about personal injury legal matters. The firm operates under the "No Win, No Fee" principle. The legal team at the firm provides a free initial consultation and promises that there are no out-of-pocket expenses.

The personal injury lawyers Brisbane professional team has announced that they have recognized two talented members of the team with a promotion within the organization. Brisbane Personal Injury group is a practice area of MacDonnell's Law. The promotion of Kate Black and Lisa Jenz reflects the firm's efforts to

recognize talent within the ranks. Both professionals have the necessary knowledge and experience to benefit the teams in Brisbane and in Cairns.

Kate Black has been in Brisbane for two years as an Associate. She has been promoted to to a Senior Associate position. Kate is respected as an experienced family lawyer with seven reported precedent cases in family law and adoption. Lisa Jenz has been promoted to the level of Associate. Her experience is Cairns-based insurance legal practice.

MacDonnells Law has been a fixture in Queensland for 132 years, since its establishment in Cairns in 1884. There are offices in Cairns, Townsville and Brisbane and there are more than one hundred staff members with fifty highly trained and experienced attorneys in five practice groups, including commercial, personal and governmental law.

Within the personal injury category, the Brisbane-based legal team supplies representation for motor bike and vehicle accidents and aviation accidents. Additional areas include catastrophic accidents, WorkCover Queensland accidents, slip and fall accidents and total and permanent disability claims. Public liability also is included in the areas of practice.
