Other locations are in Las Vegas, North Las Vegas and Peoria. Opportunities for additional franchise sites are also available. The company was launched in 2012 in Las Vegas and has since hosted many thousand birthday parties and special events consisting of hundreds of thousands of visitors. In 2015, the company expanded through licensing (franchising) to offer opportunities across the United States.

A spokesperson for the Jumper's Jungle explained to an interviewer recently, "Kids of all ages can come and jump on our bouncers, race through the obstacle courses, speed down the mega slides, slam dunk into the basketball hoops and other activities. You should check our Calendar of Events for open play availability,

private events and holiday hours.?

He continues, "Parents and guardians are always free, but everyone including the adults, must be wearing socks. There are no shoes allowed inside the Jumpspace. To keep our facilities at Jumper's Jungle in SFS as clean as possible we do not allow outside food during Open Play. Drinks are okay. For parents, a visit to the center with children is an affordable way to get kids away from the video games.?"

A party booked at the center means all the details are handled. A personal host, full set-up and clean-up, as well as all the tableware, invitations and drinks for the guests is included in the package. The package options also include free invitations and wavers, ice cold drinks for the guests, dinner plates, cake plates, napkins, forks, spoons and table covers.

Add-ons include pizza, wings or fingers, goodie bags and additional drinks. A thirty minute time extension can be arranged. Individual visits, multi-pass, monthly pass and annual passes are another way to expand the family enjoyment opportunities.
