As a firm, one of our most important goals is to make sure everybody can get the legal representation they deserve, regardless of who they are or where they are. "Bradley helped me with a serious charge I was facing," says Brandon on the Avvo website. "Over the span of 4 months he worked diligently on my behalf. He and his staff kept me informed every step of the way. In the end, I received no jail time and some community service ... almost unheard of given the situation I was in. Brad never took no for an answer and fought hard me. I could not be more pleased. I can't stress enough to anyone who is in a tough spot to give Bradley's office a call. And they have free consultations. Thanks Bradley."

On the Bradley Johnson Avvo profile, it is clear that the firm has a passion for helping folks accused of crimes or injured through the negligence of others. Their team of outstanding attorneys and support staff are dedicated to the proposition that ordinary people deserve strong and compelling advocacy. Around 50% of Bradley Johnson's time is spent on DUI/DWI cases, and the other 50% on personal injury cases. There are two separate teams dedicated to each of these practices.
