Best Seller Publishing, a publishing company in Pasadena, CA, is proud to announce the release of Robert Rolih's latest book, 'The Million Dollar Decision'. In the book, the author shows readers how to take control of their money and investments, and outperform the pros. The book is currently available on Amazon at https://www.amazon.com/Million-Dollar-Decision-Rigged-Investing-ebook/dp/B06XK7W3DG/ref=sr_1_1?ie=UTF8&qid=1489589547&sr=8-1&keywords=robert+rolih.

Rob Kosberg from Best Seller Publishing says: "We're very happy to have published Robert Rolih's new book. He is a respected best selling author who has helped people take control of their financial future for many years. We know our readers will love this book."

"The Million Dollar Decision: Get Out of the Rigged Game for Investing and Add a Million to Your Net Worth" is available both in Kindle and paperback format. It is highly acclaimed. New York Times best selling author Daven Michaels has even stated that anyone who wants to prevent getting ripped off by the industry and who wants to take control of their own financial future, should read the book.

Robert Rolih, meanwhile, says: "Why did I write The Million Dollar Decision? I lost a lot of money because I trusted my financial advisers and investing 'gurus'. It nearly broke me. It nearly cost me my family. And my health. And it's not just me. Every day I see that millions of hard-working people from all around the world are led to the financial slaughterhouse - without even being aware of it. Too many investors think that their money works for them, but in reality it only works for the financial industry. And when they find that out, it's usually too late. This has to stop. And this book is my contribution to that cause."

Various other best selling authors have already come forward to express how impressed they are with the book, and how much they recommend it. They observed that Rolih wants to do what nobody has done before: lift the veil on the financial industry so that people will get a fair deal. Best Seller Publishing, with website at <http://bestsellerpublishing.org/>, is proud to be able to play a part in that.
