March 15, 2017

March 15, 2017 - PRESSADVANTAGE -

San Diego, California, February 21st, 2017 - Several top earners from Tidom have found success since launching 8 Figure Dream lifestyle in late 2016. Recently, an integrity feature has been added that will help sponsors protect their leads and maximize profits.

Becoming successful at Tidom was always made easy with the offers of innovative ways of supporting members including live trainings, archived training videos, and a supportive community of experienced mentors. The new integrity feature at Tidom / 8FDL helps sponsors keep their leads by preventing ?sponsor shopping? on the part of registrants. Now, once a prospect is imported into the system they remain with the sponsor who brought them in for six months, thus protecting all the hard work that was done building prospects.

The updated Tidom / 8FDL webinar now includes new polling questions which have led to increased conversion rates. New members adding just one additional member per week have seen their bank accounts grow exponentially in the weeks following the initial webinar. The My 8DFL system has now made it easier than ever to follow up with sponsors and answer any questions that may arise.

In an effort at better compliance, licensing wording has been updated to allow for 100% commission and rights to sale. This new development gives everyone the ability to market like an expert and to fairly compete. These updates have been made in order to give everyone the best chance for success.
