The new 5-blade herb scissors from Jenaluca has become one of the most reviewed kitchen gadgets in its class on Amazon.com. Shoppers who are owners of indoor herb gardens are among many who have been recommending it as an essential addition to their kitchens.

Made from heavy duty stainless steel, the scissors are designed to make it easy to prepare fresh herbs for use in a variety of dishes. It can be used to create optimally-sized cuts from a variety of herbs, including cilantro, parsley, chives, basil, and rosemary. It also prepares herbs five times faster than using kitchen knives and is gentler on the hands due to its soft-grip TPR handles.

Using the heavy duty herb scissors allows home chefs to achieve professional results when making garnishes and salads. Its sharp, balanced blades make it possible to achieve smooth, clean cuts with just a few snips, which helps to maintain the flavor and freshness of herbs.

Home herb garden owners are said to enjoy the benefits of having a steady supply of fresh herbs, instead of buying stale or dried herbs. The herb scissors from Jenaluca helps to maintain that freshness when cooking. ?I love these scissors. I grow all my herbs on my windowsill year round so they are always fresh. I don't know how I've made it so long without having them around for ease of cutting!? said Dixi, a verified Amazon reviewer.

In addition to making it easy to prepare a variety of freshly-grown herbs, the herb scissors are also easy to keep clean. They are sold with a blade cover, which also doubles as a blade comb to remove bits of herbs from between the blades. The product is also dishwasher safe and can be rinsed clean with water.

Homeowners and others who have indoor herb gardens can use the premium-quality herb scissors to maintain the integrity and flavor of their herbs. The product, which is sold with a lifetime guarantee, is among the highest rated in its class, averaging 4.7 out of 5 stars.
