

Kids Wall Clock With 3 Designs Available

March 23, 2017

March 23, 2017 - PRESSADVANTAGE -

SF Group in Pasadena, California, has recently launched new designs onto the Amazon marketplace for their kids wall clock. The company states that they now have elephant, dino and owl design available. Nell Vincent with SF Group says, "The kids wall clock with owl design is cute and has bright colors, fit with most children's bedrooms, the kids will like this clock."

The company states that the kids wall clock, which can be seen on Amazon at <http://amzn.to/2mKE8lg>, with funny design this clock works without delay and built to be continuously ticking. This clock uses a standard AA battery.

"The company wants the customers to trust that this wall clock is easy to install," says Nell Vincent. "This clock comes with clear instruction that anyone can easily follow, even kids." Nell Vincent states that in addition, the kids wall clock are made of shatterproof acrylic mirror sheet with sturdy needles. All the material is eco friendly with full 3D design perfect for living room, bedroom or corridor.

The kids wall clock were launched onto the Amazon marketplace a short while ago and the company states that they were so very well received that they felt additional designs were warranted. They have not indicated whether or not new designs will be added in the future. For now, customers can choose from the three design available and the kids wall clock are currently available for purchase on the Amazon marketplace.
