

Art Muslin Clamp Launches New Sizes Onto Amazon

March 22, 2017

March 22, 2017 - PRESSADVANTAGE -

SF Group in Pasadena, California, has recently launched new size onto the Amazon marketplace for their clamps. The company states that they now have 4" and 8" sizes available.

Nell Vincent with SF Group says, "This product is a set of 6 clamps to hold backdrops for photo or video shoots. They will grip the cloth tightly into position."

The company states that the clamps, which can be seen on Amazon at <http://amzn.to/2nckLez>, is made of the best ABS material. The material makes them durable and safe to use for various projects. These grippers are sure to last.

"We want our customers to trust that our clamps are easy to use," says Nell Vincent. "The 8-inch clamps are compact and lightweight for easy usage and portability. The pivot at the grip ends also ensures a tight grip without damaging the backdrop."

The clamps were launched onto the Amazon marketplace a short while ago and the company states that they were so very well received that they felt additional sizes were warranted. They have not indicated whether or not new sizes will be added in the future. For now, customers can choose from the two size available and the clamps are currently available for purchase on the Amazon marketplace.
