March 22, 2017 - PRESSADVANTAGE -

SF Group in Pasadena, California, previously launched their My Garlic Press onto the Amazon marketplace and has currently been collecting positive reviews. Vincent Nell with SF Group says, "The company is pleased with how well-received the garlic press has been. The customers are finding it a very good option to mince unpeeled garlic cloves with one easy press."

The garlic press is available on Amazon and can be seen at <http://amzn.to/2nJiCJ9>. Vincent Nell states that this product is made of premium grade stainless steel material. "It will never rust or chip off over time. The material will also never leech into food. The material makes this garlic press sturdy, non-toxic, and will last a very long time."

Vincent Nell states, "This garlic press allows to mince garlic without touching it at all. It's so easy to use fresh garlic without dealing with the hassles of stinky hands and teary eyes."

The garlic press is available in stores according to SF Group, and the company states that it comes with ergonomic handles that give perfect leverage to use this tool without much strength. It has large capacity basket, which means also suitable for large cloves or even ginger.

Reviews on the Amazon marketplace praise the garlic press, saying that it is one of the best on the market. The product currently has a near five star rating on the marketplace, putting it in the spot as one of the most recommended products of its type on Amazon. More can be seen on the company's Amazon seller's page.
