March 23, 2017 - PRESSADVANTAGE -

Pasadena, California based company, SF Group, has recently launched a new product onto the Amazon marketplace. The Eapi Ear Pick is now available through the marketplace. Vincent Nell with SF Group says, "This earwax remover has a skid resistant handle design which is very safe to use."

The product which can be seen at <http://amzn.to/2msorKC>, is made of premium grade stainless steel material. This earwax remover ensures constant durability and is skin-friendly. Vincent Nell also states this earwax remover has handle with diamond pattern, making it easier to aim and move inside the ear canal without slipping. Perfect for home or medical use. "Only weighing 0.5 oz and 4.7 inch long, this easy-to-carry earwax removal tool can be stored in small bags or pouches and brought it during travel," says Vincent Nell.

SF Group designed this product to be easy to clean and sterilize, just wash it with hand, super easy. More can be seen on the company's Amazon seller's page.
