March 23, 2017 - PRESSADVANTAGE -

Pasadena, California based company, SF Group, has recently launched a new product onto the Amazon marketplace. The Flexy Toe Separators is now available through the marketplace. Vincent Nell with SF Group says, "This product can protect feet from painful plantar fasciitis, bunion, hammer toes, and other discomforts."

The product, which can be seen at <http://amzn.to/2mspOJo>, is made of finest SEBS silicone gel material. The premium quality material ensures softness, safety, and durability for long-lasting use.

Vincent Nell also states this toe separator has flexibility that gives the ultimate comfort in every use. With 4.72" x 1.38" x 0.63" size, it will fit perfectly for toes and can be worn discreetly inside sport shoes. One size fits most feet and easy to clean.

"This product increase the spacing between the big toe and the second toe for proper joint alignment and less irritation and friction in shoes, great for Yoga and prevent surgical bunion treatment," says Vincent Nell. SF Group designed this product to be practical, easy to put on and take off. More can be seen on the company's Amazon seller's page.
