

Parker House Painting Firm Celebrates More Than Four Decades In Operation

March 27, 2017

March 27, 2017 - PRESSADVANTAGE -

Parker CO Painting offers fully licensed and insured local business services since 1974. The family-owned business is a local industry expert.

Parker CO: Parker CO Painting, LLC and Todd Singer are pleased to announce that they have reached a milestone of 43 years in operation in Colorado. The company ranks as a local industry expert for residential and commercial painting projects. The painting projects require more than just buying and applying paint. The team of professionals have developed a comprehensive approach to deliver the best value and service. The house painter Parker Colorado professionals are invested in state-of-the-art technology, quality products and professional experienced personnel.

Parker CO Painting is a fully licensed and insured local business which provides a complete range of top quality interior and exterior painting and renovation services. The company promises an outstanding record of service, as demonstrated by their longevity. PCP has been a member of the Better Business Bureau with an A-plus rating for more than three decades and is proud to provide references from many satisfied customers.

A representative for the company explains, "We are the oldest painting contractor member of the Apartment Association of Metro Denver and are fully insured and licensed contractor incorporated in the State of Colorado. Whether your residential or commercial painting project is simple or complex, you can rely on Parker CO Painting to get it done right the first time."

Residential painting services include both interior and exterior projects at affordable prices. The specific specialties and services include siding installation, drywall patching, expertly matched drywall texturing, tile work and door and window replacement. The interior process includes set up, preparation, painting, clean-up and inspection. The exterior painting tasks include washing, surface preparation, painting and clean-up.

The company also provides attention to detail and focus on customer satisfaction for commercial painting projects. Large or small projects are handled with the same high quality results. The painting portfolio

includes apartments, high-rise exteriors, offices, and retail space.
