*March 27, 2017*

March 27, 2017 - PRESSADVANTAGE -

PokeGOKing offers the chance to purchase Pokemon GO account and level up options. The pros at the website can also play the account for customers and level the trainer.

PokeGOKing is pleased to announce that visitors to its website at <https://www.pokegoking.com> can purchase a range of products and services from the website. Customers can choose to buy Pokemon GO accounts or let the professionals play the account. Some customers choose to allow the pros to level the trainer, or to catch rare Pokemon. The website provides instant service once the payment is processed. If a Pokemon GO account is the purchased product, login details will be forward instantly.

A spokesperson for the website explains, "If you purchase a Pokemon GO account, you will be able to immediately log in and begin playing the account. If you purchase a helper to your own account, you can expect an output in as early as 48 hours. For those who want to hit the ground running in a Pokemon GO account, you can look over a selection of pre-leveled accounts and start things off on the right foot."

Customers can choose an account level that fits with their preferences. A simple boost at the beginning comes from Level 15. Level 30 allows for more substantial action at Gyms. Level 25 provides rare Pokemon candies and the ability to choose a name and team. Also provided at this level is many Stardust, a random High CP Pokemon, unused incense, Lucky Egg and Lure Module. Rare Pokemon can be hunted and caught for customer's accounts.

There are many reasons to choose PokeGOKing over competitors. These include Instant delivery of the Pokemon GO account and fast and convenient payment through PayPal. There is no registration required and customer's sensitive information is kept secure. Only the best available accounts are given out to customers, and only the best players are used to play accounts for customers. PokemonGOKing assures each customer of top customer service for each transaction.
