March 27, 2017 -
Cohoes, N.Y. ? One of the leading providers for awards and medals in Albany, NY, Awards by Walsh, recently designed lanyards for the American Collegiate Hockey Association.

This year, the American Collegiate Hockey Association 2017 Championship was held in Columbus, Ohio. The association needed several distinct designs for their lanyards and decided to place their trust in Awards by Walsh for their creation.

Steven Pesta said, ?We?re very satisfied with how the lanyards turned out. They were just what the ACHA needed and they looked great when worn.?

The championship in Columbus garnered plenty of national attention so the association thought it necessary to recruit someone capable of making the lanyards. The custom laminated credentials were the perfect way to make distinction between personnel during the event. Awards by Walsh thought of the opportunity as a great way to promote their skills and show off some of the products their company is capable of.

With the ACHA 2017 Championship being a huge success, further greatness can be expected by the Awards by Walsh design team. The lanyards prove that their products can be a big hit at any event. With designs ranging from medals and trophies, to embroidery in Albany, NY, the award center has shown that their selection can be used for any style event.

?We were shocked when the ACHA came to us for the design of their championship lanyards,? Steven Pesta said. ?This was a huge success for our business, so we?re hoping we can continue to innovate and improve as the years continue.?
