March 27, 2017 - PRESSADVANTAGE -

Pensacola, Fla. ? Creighton Pack & Description Pack & Pensacola FL service center, is taking heed of the new shipping costs increase in 2017. As shipping costs rise in the U.S., Pack & Description urges the small businesses in the area to pay close attention to the price up hikes.

The new year has arrived and with it has brought along a staggering increase in shipping prices. The rise in shipping costs has already proven to be an issue for packing and shipping companies. Last month alone, the United States Postal Service raised domestic rates by four percent, putting a multitude of businesses at risk.

?The rise in shipping costs is definitely something that small businesses in our community should be worried about,? Thomas Armstrong said. ?The expenses that come along with it may have an even larger effect than projected, so it?s best to be prepared in any case.?

For small businesses, the up hike in shipping costs could be the determining factor between a successful year and a string of months full of budget cuts. Pack & Davises companies to invest in ideas like

?meter mailing,? which could potentially cut down shipping costs significantly. If implemented correctly, this, along with other strategic methods, could prove to be worthy opportunities for shipping costs in Pensacola, FL.

?We?re looking for any way to combat this issue,? Thomas Armstrong said. ?Every step we take gets us closer to better business solutions and more efficient practices. If we continue to research this problem and effective ways around it, we?ll find a viable solution in no time.?
