March 27, 2017

March 27, 2017 -
Seattle, Wash. ? The Seattle Express Employment Professionals center is one of the best staffing agencies in Seattle, WA, and rejoiced after hearing the company won the Inavero?s Best of Staffing® Talent Award for their impact on unemployment.

Inavero and CareerBuilder teamed up to bestow their Best of Staffing Talent Award. The award was given to industry leaders who were nominated based on the ratings left by talent they helped employ this year. As one of the top staffing agencies, Express received numerous high reviews to help them win the award.

?We truly appreciate being part of a company recognized above other staffing agencies,? Express Seattle Consultant and Business Developer Eileen Kannengeiser said. ?We?ve contributed to this through the positive impact we?ve made in the lives of our clients and associates.?

Seventy percent of candidates coming from Express leave them scores of nine or 10 out of 10 because of the quality results they provide. In fact, candidates are 3.6 times more likely to be satisfied with the results they receive from Express, because they are a winning agency. Winning agencies are far more likely to produce

better talent because only 2% of all eligible agencies win the Best of Staffing Talent Award.

?Staffing firms give top companies a competitive advantage as they search for talent in North America," said Eric Gregg, Inavero's CEO.

Now the Express consultants can help people around the globe. The staffing agency harbors over 770 offices in the United States, Canada, and South Africa, so no location is beyond Express? reach. Express is able to provide so many opportunities for employment in Seattle, WA, because they stay true to their original vision. That is, connecting people to the right job by connecting them to the right people.

?The whole office celebrated when we found out,? Kannengeuser said. ?We gladly accept this as our cue to go even further toward exceeding expectations next year.?

The Seattle Express Employment Professionals franchise has been in operation since 1990 and serves the Seattle and metropolitan areas with temporary help and direct hire employees in a variety of fields, including medical, commercial, marketing, technology, and more.
