March 28, 2017 -
Centralia, Wash. ? The Centralia Express Employment Professionals office, a leading staffing agency in Centralia, WA, declared that the company won Inavero?s Best of Staffing® Talent Award for providing superior employment opportunities to the jobless.

Inavero partnered with CareerBuilder to present their Best of Staffing Talent Award to the leading employment agency. Winners are nominated based on how many full-time and part-time workers their agency has helped employ this year. The staffing agency in Centralia, WA, was relentless with their work this year, so it was only natural when they had something to say about their victory.

??Receiving the Best of Staffing Talent Award has been quite the honor," Express Centralia General Manager Matthew Swena said. "H????aving our success recognized brings value to the hard work we?ve done."

"Staffing firms give top companies a competitive advantage as they search for talent in North America," said Eric Gregg, Inavero's CEO.

Those that use winning agencies are 3.6 times more likely to love their results than those that use non-winning agencies. Award-winning agencies only make up two percent of employment agencies in North America, so the award is coveted by many.

Express also harbors satisfaction rates that are second to none. 71 percent of satisfied customers rate Express Employment Professionals as nine or 10 out of 10. When compared to the national average of only 47 percent, it?s easy to see how Express stacks up. Their experience and consistency can make any job search in Centralia, WA, a success.

??The standard for the services we provide is leagues above the competition,?? Swena said. ?Our passion translates well into the work we do and the solutions we provide.?

Express continues on their quest to help the unemployed. Having acquired over 770 franchises across the globe, the employment agency battles joblessness with intense fervor. Their goal is to connect good people to good jobs and open up as many opportunities as they can along the way.
