March 28, 2017 - PRESSADVANTAGE -

Covington, Ga. ? The Covington Express Employment Professionals office, one of the leading staffing agencies in Covington, GA, stated that Inavero recently awarded their company the Inavero?s Best of Staffing® Talent Award for supplying outstanding job opportunities to the unemployed.

Inavero collaborated with CareerBuilder to choose the recipients of their Best of Staffing Talent Award. Winners were nominated by their satisfaction scores given to them by the permanent and temporary employees they helped find jobs this year. Success was imminent thanks to the scores from the Express clients. Such high levels of customer satisfaction are what has made them one of the leading staffing agencies in Covington, GA.

?Being honored with this award is due to a collaborative effort of the Express employees,? said franchisee Express Covington Franchisee John Culpepper. ?Our passion for helping others is what contributed to our success.?

Express follows their ideology of helping people find good jobs by helping customers find good people. This

results in 71 percent of customers giving Express a nine or 10 out of 10 in terms of satisfaction towards their service, much higher than the industry average of 47 percent.

Customers that choose to use a winning agency are on average, 3.6 times more likely to be satisfied with their service than if they were to choose a non-winning agency. The Best of Staffing Talent Award is only given to two percent of all staffing agencies, so those that pull ahead of the competition are assured experts in their fields.

"Staffing firms give top companies a competitive advantage as they search for talent in North America," said Eric Gregg, Inavero's CEO.

With their original vision of helping as many unemployed people as possible, Express continues forward on their quest to eliminate joblessness. With the completion of their Oklahoma City international headquarters, the company has accumulated over 770 franchises across the world. The Express consultants are more equipped than ever before so the town's residents can remain confident with their search for jobs in Covington, GA.

"We hope that the award shows our potential customers that we really care about helping our community," Culpepper said.

The Covington Express Employment Professionals franchise has been in operation since 2011 and serves the Athens and Covington areas with temporary help and direct hire employees in a variety of fields, including legal, engineering, skilled trades, industrial, accounting, and more.
