

A&P Properties of NW Florida Shares the Top 10 Beaches in the US

March 28, 2017

March 28, 2017 - PRESSADVANTAGE -

Pensacola, Fla. ? Renowned condo rental agency in Pensacola, FL, A&P Properties of NW Florida, recently announced the top ten most beautiful beach in the country. Plenty of excitement rang through the company with Pensacola ranking number seven on the esteemed list.

Pensacola Beach consistently ranks among the best beaches across the United States. Its long shores glisten with white sand and its emerald waters shine brilliantly in the sunlight. Results were determined based on the quantity and quality of tourist reviews, so it?s easy to see how the shores placed among the top contenders.

Owner Jeff Powell said, ?We?re ecstatic that we made the list of the best beaches. It?s just one more reason for us to be proud to provide the community with beautiful rentals.?

The rankings took the whole year to compile and were largely determined by price. The cost to stay on a rental property in Florida is significantly cheaper when compared to other beautiful beaches in California and Hawaii.

The condominium rental agency in Pensacola, FL, is excited about the attention garnered by the list. With an increase in attention, rental agencies across the beach are sure to experience an influx of tourists this summer. Thanks to the efforts of A&P Properties, tourists can rejoice over how easy it is to experience the lustrous waters.

“Everyone should come see how beautiful the beaches in Pensacola are,” owner Jeff Powell said. “The waters are a magnificent sight to behold. A vacation to Florida just isn’t complete without visiting here.”
