March 28, 2017 - PRESSADVANTAGE -

Irving, Texas ? The Irving Express Employment Professionals, a top staffing agency in Irving, TX, announced that the company was presented with Inavero's Best of Staffing® Talent Award for their outstanding success with employing the unemployed.

Inavero and CareerBuilder have partnered up to give the Best of Staffing Talent Award to the highest rated staffing agency. Agencies received their ratings from the part-time and full-time employees they've helped find jobs, so the agency that helped the most would win. Fortunately, the high levels of customer engagement by the Express consultants made them one of the most popular temp agencies in Irving, TX.

?Our drive to make changes in the lives of others is what really won us this award.? Express Employment Irving Owner Mike Overby said. ?We are always pushing ourselves to perform better than the day before.?

On average, winning employment agencies produce talent that is 3.6 times more likely to enjoy their results over talent that stems from non-winning agencies. Because less than two percent of all job centers win, the center with jobs hiring in Irving, TX, rejoiced at the company's latest accomplishment.

"Winning Inavero's award means the world to us because it proves that we really do make a meaningful impact in our candidate's lives," said Overby.

"Staffing firms give top companies a competitive advantage as they search for talent in North America," said Eric Gregg, Inavero's CEO.

As a leading, winning agency, Express Employment Professionals boasts scores far above the industry's 47 percent average. Nine and 10 out of 10 ratings come from 71 percent of the talent that leaves Express. Thanks to 770 different offices, the company is able to battle unemployment in the U.S, Canada, and South Africa. While Express has established a worldwide presence, the company has never forgot their mission of connecting great people to great jobs.

The Irving Express Employment Professionals franchise has been in operation since 1997 and serves the Irving and Dallas County areas with temporary help and direct hire employees in a variety of fields, including advertising, teaching, business, science, management, and more.
