

Ashley Drayton ? Re/Max Professionals Business Launch Announced

March 30, 2017

March 30, 2017 - PRESSADVANTAGE -

Ashley Drayton ? Re/Max Professionals offers his skills and experience in finding a property to buy, or build. He can also assist with the sale of property.

Florence SC: Ashley Drayton - Re/Max Professionals is pleased to announce that he is associated with a team of real estate professionals who provide full real estate services in the Florence, South Carolina area. The thriving area offers a range of houses for buyers of all income levels. There are multi-storey, single storey and modular construction residences, with or without land. The services of a Realtor make the home buying process much more convenient. All of the tedious work is done by the Realtor.

The Realtor Florence SC home sellers require is one with the knowledge and experience to take care of the documents, inspections and price setting which are helpful to the sellers. The Realtor does the negotiation work with prospective buyers and can arrange for inspections and advertising to ensure that there is enhanced marketing. Knowing where and when to place ads for the widest possible audience is the role of the Realtor.

While there are many homes which are available in the Florence area, some customers prefer the thought of building their own house, with everything designed to suit their own preferences. The assistance of the company will make the efforts of construction much less frustrating. Ashley Drayton and his team of professionals will assist homeowners throughout the entire process.

One of the services which is available through the website is help with pre-qualification. For many prospective buyers, they are either uncertain of the size of a mortgage which they are qualified. They go out and look for a house and go through the process of applying for a mortgage, only to learn that their income will not allow them to purchase the house. Sometimes, they are able to obtain a mortgage, but the interest rates and peripheral expenses associated with the purchase are too much.

It is much better to be per-qualified for an appropriately priced property before beginning the search. The

Realtor can assist with the entire application and search process.
