Florence-based Jiffy Lube locations offer fourteen years of franchise ownership in four Florence locations. The service categories have grown from routine oil changes to a whole range of other services.

Florence SC: Jiffy Lube Florence and owners Chad and Silvia Weisbeck are pleased to announce that they have expanded the service categories in the four Florence locations. The routine task which is the focus of Jiffy Lube is routine oil changes. Customers which frequent Florence SC locations have access to many other needed automotive tasks and repairs. The Weisbecks are local people who own and operate four franchise locations in the community and have done so for many years.

Oil change Florence SC customers are invited to make an appointment for needed repairs, or just to stop by when it is convenient in order to obtain the Signature Service oil change done in minutes. The Florence business has been a nationally recognized member of the Jiffy Lube franchise system, thanks to its superior operations and its increase in fleet business. Chad Weisbeck has served in national offices for Jiffy Lube and has been honored with several awards for service, dedication and stellar operations.

According to a company representative, speaking to an interviewer, "We recently expanded our services to include Brakes and Services. Those services include Brakes, Tires, Alignments, Rotations & Balance, Engine Diagnostics and more. We have invested in the very best equipment in the automotive industry along with the training to provide our technicians the skills to deliver the very best quality care of your vehicle."

The Jiffy Lube Signature Service oil change and other automotive services enable customers to keep their vehicles under warranty from the very first oil change. The JL technicians are trained through an ASE accredited training program. The technicians provide customers with a free service review of the vehicle manufacturer's service recommendations. The company services all makes and models of vehicles, including specialty vehicles. Specialty automobiles include brands such as BMW, Mercedes and Porsche, as well as others. The shops carry the filters and fluids necessary to keep vehicles under warranty.
