

Titan Remodeling Window Replacement In San Antonio Texas Company Is Offering Up To 15% Off

June 13, 2015

June 13, 2015 - PRESSADVANTAGE -

Preston Leake, founder of Titan Remodeling, has announced that they will be offering up to 15% off on replacement windows within the San Antonio area. Leake stated that clients simply need to schedule a free in-home consultation on their website, or to call them at 210-774-6442.

Titan Remodeling said that the main reason why they are giving this discount, which is on the Titan Window Series & Asure by Simonton Window Series, is because they are celebrating their 10 year anniversary of being in business, this summer. This discount can be applied to patio covers, pergolas, sunrooms and louvered roofs from the Titan Window Series & Asure by Simonton Window Series. The company made the following statement,

"We know buying windows is a big investment. An investment you want protected. That is why we back all Titan Windows and doors with a Double-Lifetime Limited Warranty covering vinyl, hardware, screens, insulating glass units and labor. The warranty also includes a Lifetime Glass Breakage Warranty with any

Sensor Glass package."

The company feels that The Titan Window Series will be a big hit with their customers. They said that when customers look at these Windows, they will be impressed with the stylish designer options and the high performance glass packages that are available. Titan Remodeling also made the following statement,

"Through the years we have perfected the services we offer. This is made possible through 12 dedicated and qualified full time employees. We deliver our services on time and go beyond our call of duty to please, leaving our clients in awe. Clients have attested to getting better end products than they had envisioned. Regardless of what remodeling work you need done in your home, we are the company for you."

Titan remodeling, which was founded in 2005 by Preston Leake, built a reputation for themselves during the last 10 years as being one of the top services in San Antonio Texas within this industry. They have stated that their decade of expertise and experience will ensure that current and new customers will continue to be satisfied with the work they do, and the company says that they back this statement up by offering a 100% guarantee on their services. The company urges all interested parties to schedule a free in-home consultation with them, which can be done through their website or by calling the following number: 210-774-6442.

Titan Remodeling's website also provides customers with more information on all of their services, and they will be able to find 28 - five-star reviews from other happy customers. The company said that they understand window replacement is not the type of investments that homeowners like to repeat often. Because of this, they believe that it is important to choose the right replacement windows the first time round, as this will ensure the customer stays happy for many years.
