

New Colors For Dog Nail Clippers

March 31, 2017

March 31, 2017 - PRESSADVANTAGE -

Protiga Group in Walnut, California, has recently launched new colors onto the Amazon marketplace for their dog nail clippers. The company states that they now have red-black, light blue-black, and blue-gray colors available.

Sarah Dykes with Protiga Group says, "These dog nail clippers are capable of clipping any dog's nails quickly, and we've provided colors that are sure to fill virtually every need."

The company states that the dog nail clippers, which can be seen on Amazon at <http://amzn.to/2j4RPRY>, can be used to clip any dog's nails neatly and safely. The company makes the dog nail clippers from stainless steel which is sharp and durable.

"We want our customers to know that our dog nail clippers are amazing. The sharp blades will cut the nails properly and easily," says Sarah Dykes.

Sarah Dykes states that in addition, the dog nail clippers are absolutely safe to use. The integral safety depth guard and comfortable rubber handle will prevent over cutting or other accidents that can harm pets.

The company states that the dog nail clippers are compact and efficient to use with its spring loaded clipping mechanism.

The dog nail clippers were launched onto the Amazon marketplace a short while ago and the company states that they were so very well received that they felt additional colors were warranted. They have not indicated whether or not new colors will be added in the future. For now, customers can choose from the three colors available and the dog nail clippers are currently available for purchase on the Amazon marketplace.
