March 31, 2017 - PRESSADVANTAGE -

Buffalo, N.Y. ? Express Employment Professionals, a leading employment agency in Buffalo, NY, announced how their company was just awarded the Inavero?s Best of Staffing® Talent Award for providing quality career solutions to those without jobs.

Inavero teamed up with CareerBuilder to present the winners for their Best of Staffing Talent Award. Each winner was chosen based upon their ratings received by those they?ve helped find jobs. The employment agency was victorious thanks to the passion of their job consultants and expressed their attitude for receiving the award.

?It feels really great to have our achievements recognized. We?re all hoping that with the same hard work we can win it again next year,? said franchisee John Swanson.

Candidates that look for employment through a winning agency are 3.6 times more likely to be happy with their outcome when compared to a non-winning agency. Fewer than 2% of the temp agencies across the globe win the award so the competition between nominees is fierce.

"Staffing firms give top companies a competitive advantage as they search for talent in North America," said Eric Gregg, Inavero's CEO.

Express Employment Professionals is focused on using their network to help the right people get the right jobs. Seventy-one percent of satisfied candidates give Express scores of nine or 10 out of 10 ? far better than the industry average of 41 percent. The high level of engagement that Express brings to the table is what has made them one of the best temp agencies in Buffalo, NY.

?The award has only served to motivate us further. I have no doubt that our success will continue as the year continues,? Swanson said.

Express follows their dream of employing as many people as they can. With an international headquarters and over 770 locations, soon their dream can be made a reality.

The Buffalo Express Employment Professionals franchise has been in operation since 2008 and serves the Buffalo and New York areas with temporary help and directly hires employees in a variety of fields, including business, administrative, advertising, manufacturing, health care, and more.
