

Pearl Distributors Celebrate June Weddings with Specials on Wedding Pearls and a Wedding Voucher for 2015 Summer Brides

June 09, 2015

June 09, 2015 - PRESSADVANTAGE -

Pearl Distributors is an established company that is offering June wedding pearl specials and will be issuing a wedding voucher for any of this summer's brides who apply for it during the month of June. This voucher gives large discounts on any wedding pearls purchased during the month of June.

Pearl jewelry is traditional for June brides and pearls are frequently used as bridesmaid gifts or for the mother of the bride. Miriam Reed, owner of Pearl Distributors says, "We hope to contribute in a small way to the joy of these weddings and reduce the stress by cutting expenses for the bridal party."

The aim of the company is to introduce these wedding pearl specials as part of the celebration of the month of pearls. Brides may receive a voucher by simply emailing customer service at Pearl Distributors.

The best pearls depend on the personal taste and preference of the brides. The selection varies from traditional white pearls to large exotic dark pearls, Akoya pearls, South Sea Pearls, Tahitian pearls, Freshwater pearls and more. Pearl Distributors is known for the excellent quality of the pearls they sell.

Near the top of the list of the best pearls are Japanese Akoya pearls. These cultured pearls are often seen in a classic style white or cream pearl necklace. Known for their high luster and usually high price tag, Pearl Distributors delivers top quality Akoya pearls at a fraction of their retail price.

Luxurious South Sea Pearls are among the selection of pearls that are available. These come in medium to very large sizes and are used for pearl earrings and pendants. Tahitian pearls also vary in their sizes and colors of silver and black with overtones like green, pistachio, blue, cherry and peacock.

Freshwater pearls have a soft luster as compared to the saltwater pearls and give a delicate impression. The colors can range from peach, lavender and pink and are available for any budget. The very highest quality white Freshwater pearls rival the Akoya pearls for classic wedding pearls.

Fine pearl jewelry is a perfect way to mark a special occasion like a wedding, a graduation or a special anniversary. Pearls are a special way to express loyalty and long-term love for two people who have been together.

?I received the gorgeous pearl bracelet yesterday. It was everything I had imagined and more. It is an exceptional piece.?

It is expected that the specials on wedding pearls in June will bring guaranteed satisfaction to brides looking for pearl jewelry to complement their special day .-Joanna; NY
