Protiga Group Launches Pro Fish Shovel On Amazon

April 03, 2017

April 03, 2017 -
Walnut, California based company, Protiga Group, has recently launched a new product onto the Amazon marketplace. The company?s Pro Fish Shovel is currently available through the marketplace. Sarah Dykes with Protiga Group says, ?This product is a special spatula to cook fish.?

The product which can be seen at https://www.amazon.com/dp/b01jw7la5u is made of the best stainless steel which makes it sturdy, scratch proof, non toxic, and rust proof. ?The oval edge of the shovel has several drain holes to filter oil and other slimy grease when cooking,? Sarah Dykes says.

Dykes also states that this product is easy to clean, people can use a dishwasher or simply handwash it. Protiga Group designed the shovel with a strong and heat resistant grip to prevent slipping off of hands. More can be seen on the company?s Amazon seller?s page.
