April 03, 2017 - PRESSADVANTAGE -

Protiga Group in Pasadena, California, previously launched their Hip Bongo Drums onto the Amazon marketplace and has currently been collecting positive reviews. Sarah Dykes with Protiga Group says, "The company is pleased with how well-received the bongo drums have been. The customers are finding it a very good option for bongo drumming."

The bongo drum is available on Amazon and can be seen at <http://amzn.to/2mM0w7V>. Sarah Dykes states that this product is made of high quality wood, metal and skin. "This product not only preserves the sound quality of drums but also makes the drums durable."

Sarah Dykes states, "We designed 6 inch and 7 inch drums featuring Hickory shells and natural hide heads, and 4 Tunable lugs per drum with a tuning wrench." The drum is available in stores according to Protiga Group, and the company states that it comes with no sharp edges, suited for kids.

Reviews on the Amazon marketplace praise the drums, saying that it is one of the best on the market. The product currently has a near five star rating on the marketplace, putting it in the spot as one of the most recommended products of its type on Amazon. More can be seen on the company's Amazon seller's page.
