GraviPet Feeder 2 Reaches Number One Recommendation On Amazon

April 03, 2017

April 03, 2017 -
Protiga Group in Walnut, California, previously launched their GraviPet Feeder onto the Amazon marketplace and has currently been collecting positive reviews. Sarah Dykes with Protiga Group says, ?The company is pleased with how well-received the feeding feeder has been. The customers are finding it a very good option to feed the pets automatically.?

The feeding feeder is available on Amazon and can be seen at http://amzn.to/2mHyVko. Sarah Dykes states that this product is made of durable and eco-friendly PP with microbe antimicrobial base material. ?This product absolutely poses no health risk for pets as it?s made of Eco-friendly material.?

Sarah Dykes states, ?The compact 12.6 x 7 inch bowl will help pets eat comfortably, and the translucent reserve barrel design makes it easy to determine the remaining amount.?

The feeding feeder is available in stores according to Protiga Group, and the company states that it comes with 1 gallon capacity with an efficient lid on top to facilitate easy replenishment, it'll provide the pet with fresh food at all times.

Reviews on the Amazon marketplace praise the feeding feeder, saying that it is one of the best on the market. The product currently has a near five star rating on the marketplace, putting it in the spot as one of the most recommended products of its type on Amazon. More can be seen on the company?s Amazon seller?s page.
