Own Pry Kit 2 Reaches Number One Recommendation On Amazon

April 03, 2017

April 03, 2017 -
Protiga Group in Walnut, California, previously launched their Own Pry Kit onto the Amazon marketplace and has currently been collecting positive reviews. Sarah Dykes with Protiga Group says, ?The company is pleased with how well-received the pry kit has been. The customers are finding it a very good option to fixes hand-held items, from their camera to mobile phone.?

The pry kit is available on Amazon and can be seen at http://amzn.to/2nrlJVc. Sarah Dykes states that this product is made of high quality durable material. ?It's a heavy duty advanced kit with non-abrasive nylon material and anti-static high precision tools that are excellent for working.?

Sarah Dykes states, ?Designed for opening cases and assisting during the assemble and disassemble of your smart phone, tablet, camera, watch, and other electronic devices, without damaging the tablet or cell phone cover.?

The pry kit is available in stores according to Protiga Group, and the company states that it comes with 3 premium pentalobe screwdriver (1.2 x 40mm, 0.8 x 40mm , 1.2 x 40mm), 3 plastic prying bars, spatula/scrapper, anti static high precision tweezer, triangle paddle, long board pry tools, dual head pry tools/spudger, 3 sim card adapter opener, and suction cup.

Reviews on the Amazon marketplace praise the pry kit, saying that it is one of the best on the market. The product currently has a near five star rating on the marketplace, putting it in the spot as one of the most recommended products of its type on Amazon. More can be seen on the company?s Amazon seller?s page.
