

Luxury Mens Clothing By Liv Elysian Launches Hand-Made Shirts And Shoes Imported From Italy

April 03, 2017

April 03, 2017 - PRESSADVANTAGE -

Liv Elysian offers one-of-a-kind hand-made luxury men's shirts and shoes imported directly from Italy. The quality shirts and shoes are designed to meet the demands of a fashionable lifestyle.

New York NY: Liv Elysian and Shubham Singh are pleased to announce the launch of their line of luxury mens clothing. The shirts and shoes are high-quality hand-made products which are designed to appeal to men looking for a casual style, as well as one which is more formal. The Italian style shoes and shirts are imported from Europe to customers in the United States and elsewhere internationally. Standard shipping within the United States is free-of-charge.

Liv Elysian shoes are available in a number of categories and colors. They include classic Chelsea Boots, slippers, Monk Strap, and a variety of slippers. The materials include leather, quilted suede, and cotton uppers with leather soles. There is also a slipper style with a leather sole and genuine python uppers. The shoes are all hand-made in Italy and represent the craftsmanship and artistry linked to Old World skills and products. Customers can choose from black, blue, brown and various other color options.

Classic shirts include a range of colors, including several different blues. Some of the modern-fit shirts come with contrasting cuffs which are reflective of today's designs. The modern fit dress shirts are handcrafted with 100 percent fine Italian cotton and quality workmanship. Some designs are paired with precise contrast details which attract attention and create an exclusive appearance. Each detail is carefully selected to ensure a complete and refined look.

Elysian shirts feature a slim design and are found only at Liv Elysian. The Elysian sleeve shirt has a specially designed sleeve length, created for convenience and eliminating the need for messy sleeve roll ups. The look is clean and refined. The shirts may include a contrasting cuff and under collar. Shirts are constructed of 100% Italian cotton in several colors. Mother-of-pearl buttons are featured on some of the shirts. The color palette includes light blues, navy, white and various paisley and print options.
