April 04, 2017 - PRESSADVANTAGE -

Klamath Falls, Ore.? Express Employment Professionals, one of the leading employment agencies in Klamath Falls, OR, was recently granted Inavero?s Best of Staffing® Talent Award for their great reviews and quality service.

CareerBuilder and Inavero worked together to offer this year?s Best of Staffing Talent Award to the employment agencies that performed the best. Leading agencies were determined by the reviews left from the talent that found jobs through them. Being one of the top employment agencies allowed Express to amass enough positive reviews to secure themselves the award.

?Our success is a strong motivator for our improvement,? Express Klamath Falls Franchisee Jillian Stork said. ?We?ve set the bar high and our team is positive that we can go even further to raise the bar.?

Seventy-one percent of candidates that utilize Express? service leave 9 or 10 out of 10 rating, much better than the 47 percent helm by the average employment agency. Talent looking for jobs in Klamath Falls, OR, would do well to remember that winning agencies are 3.6 times more likely to produce satisfied candidates.

“Staffing firms give top companies a competitive advantage as they search for talent in North America,” said Eric Gregg, Inavero's CEO.

Inavero award winners are only two percent of eligible agencies across the United States, Canada, and South Africa. Express is committed to providing employment opportunities to each of these locations. With an international headquarters in Oklahoma City and over 770 locations spanning multiple countries, Express is closer than ever to achieving their employment goals.

“Our office was overjoyed when we heard the good news,” Stork said. “Inavero’s Best of Staffing Talent Award is the kind of recognition that only drives us to perform better.”

The Klamath Falls Express Employment Professionals franchise has been in operation since 2006 and serves the Klamath Falls and Medford areas with temporary help and direct hire employees in a variety of fields, including marketing, scientific, professional, business, industrial, and more.
