Evergreen Landscape Care and Tree Services LLC offers reliable tree removal Portland choices to home owners in the Oregon City area. The firm provides professional landscape care and tree service to improve and maintain the value of the property.

Oregon City OR: Evergreen Landscape Care And Tree Services and Nicolas Valencia are pleased to announce that the professionals associated with the firm have more than forty years of experience in the industry. The tree removal Portland professionals assist in the enhancement and appeal of the customer's property by redesigning, renovating or improving the landscape. The experts from Oregon City landscaping services are focused on tailoring and maintaining the landscape at a superior level of beauty.

Homeowners who have trees which need to be removed or pruned, or stumps which are ugly and unwanted. Emergency tree services of all types are available to ensure that the property landscape and associated trees remain healthy and aesthetically pleasing. There are many reasons to remove a tree. These include poor tree health, improving landscape design and clearing space in the yard. Whether the tree is large or small, Evergreen provides the appropriate techniques and equipment to complete the job.

The employees are well-trained, and fully experienced in all types of landscape care and tree service tasks. This includes paver installation and tree removal. The staff is encouraged to pursue certifications and ongoing education and training. A dead, dying or diseased tree can pose danger to the residents of the home. Trees should be removed when it is dying or already dead, when it is beyond the point of trimming or pruning, when there is need for space for a new construction and when it is considered a hazard or is harming other trees.

In addition to tree removal services, the company offers a range of other services such as retaining walls, landscape design and installation and paver installation. Landscape services are completely customizable to needs and to the layout of the home. The team can do a complete renovation to make the home more conducive, to create an English country garden or to do a small upgrade.
