

Immigration Lawyer in Forth Worth Says It's All About Creating Solutions

April 12, 2017

April 12, 2017 -

Farria Law Group offers solutions for immigration issues. Immigration is just one of the areas of expertise.

Fort Worth TX: Farria Law Group and Garrick Farria are pleased to announce that they can manage the complexity involved in a broad range of expertise areas. The practice areas of the immigration lawyer in Fort Worth include sports and entertainment, start ups, corporate formation and restructuring, talent acquisition and retention, employee assistance, immigration law, visas, green cards, citizenship, business litigation, contract disputes, breach of fiduciary or professional responsibility, shareholder derivative claims, and business torts.

Attorney Garrick Farria is one of the most persistent, dedicated lawyers in Dallas Fort Worth. He proudly serves the needs of individuals, corporations, small businesses, and investors in Dallas, Fort Worth, and New Jersey. Garrick is committed to helping his clients reach their highest potential. He believes that finding quality legal services should be a positive experience. The legal firm is unafraid to take on any level of complexity.

Garrick Farria explained in a recent interview, "We focus our efforts on assisting clients obtain non-immigrant work visas such as H-1b, L-1, O-1, TN, and P-1s and we have experience in processing national interest waivers, outstanding researcher, and PERM petitions. We take pride in fighting for families by helping them fight removal actions and achieve marriage, fiance, and other family-based visas. We fight for the American Dream, one family at a time. Our New Jersey office and our Texas office provide a wide array of immigration law related services."

Lawful immigration is an action that requires decisiveness and high integrity. Although the laws are complex, applicants should not be pressed with the burden of in-depth knowledge. FLG takes responsibility for awareness and advocacy. The professionals educate clients and ensure the right foundation is set in place. The legal team takes pride in its unwavering ethics and a relentless drive to achieve results for individuals, families, students, refugees, STEM, small businesses and startups, and global corporations.
