Top Rating SEO offers a Kotton Grammer review and personal testimonial from founder Nancy Dent. The testimonial describes her personal participation and mentoring.

Las Vegas NV: Rated as Best SEO Company 2018 Top Rating SEO and founder Nancy Dent are pleased to announce the release of their testimonial about the methodology and teaching of Kotton Grammer. She credits the methods and teachings of the internet marketing guru for her own success in building Top Rating SEO. Dent has spent a lifetime seeking ways to improve herself and credits Grammer with the positive results she has achieved. The results of her mentoring with Kotton Grammer led to her turn to fully digital marketing as a business model.

The Kotton Grammer review and testimonial explains how Nancy's work with her mentor taught skills and methodologies which she has been able to incorporate in the operation of her own business, as well as lifestyle. Working with Kotton has allowed her to reach a full throttle career. He teaches the most innovative and cutting edge methodology in the industry. His approach requires more than cookie-cutter steps. It teaches the mindset and life skills necessary to control life and career.

There are several pillars which form the basis of the program, according to the Kotton Grammer review prepared by Dent. Applying the pillars is a recipe for success, for business owners and others who are seeking a path forward. The pillars described are a series of short statements and mottoes that require hard work and determination in order to apply them effectively.

The Pillars according to Nancy were recovered from her notes and study efforts of Grammer's materials. The first focuses on mindset, with the statement: Passion Fuels Progress and Mindset Makes Money. Pillar 2 encourages students to Plan the Pursuit, then ?Rinse and Repeat?. Pillar 3 shares the Power of Paying It Forward and #4 states Effort, Energy and Enthusiasm Feed You. Pillar 5 shows how momentum is contagious. The final Pillar says that it is communication which builds connections.
