Date To Create is a way for people to come together in a social gathering for creative inspiration, collaboration and merriment. A fun, safe place where all are encouraged to connect, create & celebrate.

DeLiese Cellars was founded in 2013 by Dennis and Marliese Graham out of their passion for exploring fine wines. DeLiese partnered with a superb local vintner to craft their first flagship Bordeaux-style Cabernet Sauvignon, Nevaeh, with grapes from the Malibu Coast AVA. As their passion grew, so did their wine offerings. They are proud to now offer many fabulous red and white wines and look forward to sharing their passion with you. A natural progression led the owners of Date To Create and Deliese to combine their love of the creative elements that form the foundation of good wine and good fun and bring you their new Create & Sip series of fun events taking place at the comfortable Deliese Cellars tasting room.

Date To Create's studio is located at 3625 E. Thousand Oaks Blvd, Suite 249 in Westlake Village, just across the street from the Maserati dealership. Workshops are offered throughout the week and private parties can be specially designed for your specific need or occasion either at the studio or offsite at any location.
