Braselton, Ga.- Express Employment Professionals, one of the top job agencies in Braselton, GA, partakes in the admirable day called Administrative Professionals Day, a day to recognize how much companies care about their staff.

Administrative Professionals Day is celebrated on April 26, 2017 and is celebrated every year in some countries including the United States. This day is celebrated to give recognition and appreciation to every administrative staff member, and show them just how much their employers truly care. Employers are given this day to do something nice for their assistants or secretaries or even just speak an extra kind word or two than normal to show them they are definitely appreciated.

"One of the many things I am thankful for as the Owner of Express Braselton is my talented Administrative Professionals," Express Braselton Franchisee John Culpepper said. "They always go above and beyond in their tasks and work hard each day."

Express is one of the leading temp services in Braselton, GA, and is one of the companies that take part in this day of celebration. Express wants to ensure their staff knows they are truly treasured and that the company would be hardly anything without them and their hard work. They ensure that their employees go home that day feeling especially loved.

"Coming to work every day, I know I can count on my staff to make sure everything goes smoothly," Culpepper said. "We want to take today to make sure that they know how much they are appreciated."
