

Rockwell LIVE Trading Summit Attendees Blown Away by "Best Trading Event Ever"

May 09, 2017

May 09, 2017 - PRESSADVANTAGE -

"In my 20 years of trading and attending top trading events, I've never seen so much great content given away," said Steve from Salt Lake City.

It certainly was a jam packed 3 days. From their favorite bread and butter trading strategies, to trading software that picks the best stocks, to the nuts and bolts of money management traders need to build their accounts consistently, the trading experts at Rockwell Trading held nothing back.

"Overall I'm impressed with the material that was shared and in the way the trading strategies were presented...Everything is explained in detail and fully disclosed. This is definitely NOT just a 'teaser'," said Troy from Florida.

Their April 2017 event was such a huge success that Rockwell Trading is coming back to Houston June 2-4, 2017 and showcasing their powerful trading software that not only allows traders to see in 3 minutes whether their stock is a winner or a loser, it will also scan tens of thousands of stocks and find the best stocks to trade.

Experienced traders will love the cutting edge software that helps them making better and more accurate trading decisions in a fraction of the time.

As Natasha from Orlando said, "There are more millionaires in this room than I've seen at any other event and I've been to a lot of them!"

Beginner traders will learn a simple trading system that can allow them to turn their hobby into the income they need to replace their current income.

"The Rockwell LIVE event was soooo worth 2 long days of flying for 4 days in Texas. Trading is going to be great for me after being at Rockwell LIVE, so I am really glad I got to be there," said Shannon from Norway.

As Markus Heitkoetter, founder of Rockwell Trading told us, "At Rockwell Trading we believe that trading should be accessible to everyone! For both the newbie and veteran, we make Trading Simplified!"

One can see Markus live in person at the next Rockwell LIVE Trading Summit in Houston, Texas on June 2-4. Get all the details at www.rockwelltrading.com/live-event.
